and for the purposes set forth below. Except to the extent otherwise stated herein, all information set forth herein is given as of the date hereof, and all dollar amounts marked as “CAD\$” set forth herein refer to Canadian dollars and all dollar amounts marked as “US\$” set forth herein refer to United States dollars. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Company. The cost of solicitation will be borne by the Company except for the cost of postage required to return the forms of proxy which will be borne by the individual Shareholders.

In accordance with NI 54-101, arrangements have been made with intermediaries or their nominees (collectively, the “Intermediaries”) to forward proxy-related materials to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Registered Education Savings Plans and similar plans. Intermediaries are required to forward such proxy-related materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Company has elected not to pay for the delivery of the proxy-related materials to Objecting Beneficial Shareholders (as defined below) by the Intermediaries. As such, Objecting Beneficial Shareholders will not receive the proxy-related materials unless the Intermediaries assume the cost of delivery. The Company is sending the proxy-related materials directly to Non-Objecting Beneficial Shareholders (as defined below), through the services of its transfer agent and registrar, TSX Trust Company (“TSX Trust”). The Corporation is not

relying on the notice-and-access provisions of securities laws for delivery of the proxy-related materials to Shareholders.

Appointment of Proxies

The individuals named in the form of proxy are officers and/or directors of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend the Meeting and act for such Shareholder on his, her or its behalf other than the persons designated in the enclosed form of proxy. Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy.** In either case, a Shareholder may vote its Common Shares by proxy as follows: (a) by mail or delivery to, or deposited at, the offices of TSX Trust at: 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Attention: Proxy Department, on behalf of the Company; (b) by fax at: (416) 595-9593; or (c) on the internet by accessing the web site address specified on the form of proxy or voting instruction form (if applicable) and by following the online voting instructions. Voting instructions must be received by no later than 7:00 a.m. (Toronto time) December 27, 2023, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Form of Instructions for UK holders must be completed and returned to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. Voting instructions for UK holders must be received by no later than 5:00 p.m. (UK time) on December 20, 2023, or if the Meeting is adjourned, at the latest 72 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Revocability of Proxy

A Shareholder giving a proxy has the power to revoke it. Proxies given by a Shareholder for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a Company, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - a. at the office of TSX Trust, on behalf of the Company, at any time up to and including 7:00 a.m. (Toronto time) on December 27, 2023, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used; or
 - b. with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

Exercise of Discretion by Proxy

On any ballot that may be called for at the Meeting, the Common Shares represented by such form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder appearing on such form of proxy, and, if a choice is specified therein in respect of any matter to be acted upon, will be voted in accordance with the specification made. In the absence of such specification, such Common Shares will be voted FOR such matter.

The form of proxy confers discretionary authority upon the person acting as proxy thereunder with respect to amendments or variations to matters identified below and with respect to other matters which may properly come before the Meeting. As at the date hereof, Management knows of no such amendments, variations or any other matters, which may properly come before the Meeting.

Voting by Beneficial Shareholders

Only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares or duly appointed proxyholders can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (the “**Beneficial Shareholders**”). If Common Shares are listed in an account statement provided to a Beneficial Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Beneficial Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder’s Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Company to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails the voting instruction forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instructions forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting - the form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.

All references to Shareholders in this Circular are to Shareholders of record unless specifically stated otherwise.

Note to Non-Objecting Beneficial Shareholders

The proxy-related materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (the “**Objecting Beneficial Shareholders**”) and those who do not object to their identity being made known to the issuers of the securities they own (the “**Non-Objecting Beneficial Shareholders**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their Non-Objecting Beneficial Shareholders from Intermediaries via their transfer agent in order to distribute proxy-related materials directly to such Non-Objecting Beneficial Shareholders.

The Company or its agent has sent the proxy related materials directly to Non-Objecting Beneficial Shareholders. Such Beneficial Shareholders’ names, addresses and information about their holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding such information on their behalf. By choosing to send proxy-related materials directly to the Non-Objecting Beneficial Shareholders, the Company (and not the Intermediary holding the information on their behalf) has assumed responsibility for (i) the delivery of the proxy-related materials, and (ii) the execution of proper voting instructions as specified in the request for voting instructions.

Voting Securities and Principal Holders Thereof

The Company has fixed the close of business on November 17, 2023, as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive notice of the Meeting and vote at the Meeting. Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or at any adjournment or postponement thereof (subject in the case of voting by proxy to the timely deposit of a properly completed, signed and dated proxy with Equity as specified herein and in the notice of Meeting).

The authorized capital of the Company consists of an unlimited number of Common Shares, of which 370,173,680 are issued and outstanding as at the Record Date. Each Common Share carries the right to one vote per Common Share. No other voting securities are issued and outstanding as of the Record Date. The quorum required for the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued Common Shares entitled to be voted at the Meeting.

Except as set forth below, to the knowledge of Management and the directors, as at the date hereof, no person beneficially owns, directly or indirectly, or exercises control or direction over, more than ten percent (10%) of the issued and outstanding Common Shares:

Name	Number of Shares Owned	
	(Percentage of Class and Type of Ownership)	
	Common Shares	Percentage of Voting Rights
Africa Oil Corp.	59,806,609	16.16%

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise set out herein, to the best of Management's knowledge, no director or executive officer of the Company, or any person who has held such a position since the beginning of the Company's last fiscal year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

The board of directors of the Company (the “**Board**”) and Management are recommending that the shareholders vote FOR fixing the number of directors. In order to approve the number of directors, the following ordinary resolutions must be approved by a majority of the votes cast by shareholders present in person or represented by proxy at the Meeting. COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF FIXING THE NUMBER OF DIRECTORS AT NINE, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS OWN SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

3. Election of Directors

Nine directors are to be elected at the Meeting to serve until the next annual meeting of the shareholders or until their respective successors are duly appointed. “VWAP” has the meaning given to such term in Policy 4.4.

Additionally, the Stock Option Plan has been amended to provide for a cashless exercise pursuant to the following:

“Options, but excluding options held by a Person engaged in Investor Relations Activities, may be exercised without the Participant making any cash payment so the Corporation does not receive any cash from the exercise of the subject

Options, and instead the Participant receives only the number of underlying Common Shares that is the equal to the quotient obtained by dividing:

- a. the product of the number of options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject options; by
- b. the VWAP of the underlying Common Shares.”

Approval of the Stock Option Plan

The Board and Management are recommending that the shareholders vote FOR the approval of the Stock Option Plan. In order to approve the Stock Option Plan, the following ordinary resolutions must be approved by a majority of the votes cast by shareholders present in person or represented by proxy at the Meeting. The complete text of the resolutions which Management intends to place before the Meeting for approval, with or without modification, is as follows:

“IT IS HEREBY RESOLVED, THAT:

- (1) the Stock Option Plan, in the form as set forth in Schedule “A” to the Circular, be and is hereby ratified, confirmed and approved; and
- (2) any director or officer of the Company is hereby authorized for, on behalf of, and in the name of the Company to do and perform or cause to be done or performed all such things, to take or cause to be taken all such actions, to execute and deliver or cause to be executed and delivered all such agreements, documents and instruments, contemplated by, necessary or desirable in connection with the Stock Option Plan and the foregoing resolutions, as may be required from time to time and contemplated and required in connection therewith, or as such director or officer in his or her discretion may consider necessary, advisable or appropriate in order to give effect to the intent and purposes of the foregoing resolutions, and the doing of such things, the taking of such actions and the execution of such agreements, documents and instruments shall be conclusive evidence that the same have been authorized and approved hereby.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE STOCK OPTION PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

6. Approval of the Restricted Share Unit Plan Resolution

On December 11, 2013, as subsequently amended on each of December 30, 2016, December 29, 2017, December 28, 2018 and on December 29, 2022 (the “**2022 Approval**”), the shareholders of the Company approved the adoption of a “fixed number” restricted share unit plan as amended (the “**RSU Plan**”), meaning that the number of Common Shares issuable under the RSU Plan may not exceed a certain threshold (being 10% of the issued and outstanding Common Shares as at December 29, 2022). The RSU Plan allows the Company to grant restricted share units (each, a “**RSU**”), each of which is a unit that is equivalent in value to a Common Share and that upon vesting results in the holder thereof being issued, at the discretion of the Board, either (i) a Common Share, or (ii) an amount of cash equal to the Fair Market Value of a Common Share. A copy of the RSU Plan, as amended, is attached as Schedule “D” to the Circular.

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to approve, with or without variation, a resolution authorizing and approving the increase of the previously issued RSUs, and amendments to the RSU Plan (See “Amendments” immediately below) to comply with the new policy of the TSX Venture Exchange (collectively, the “**RSU Resolutions**”). The Board approved the RSU Resolutions, subject to the receipt of *disinterested* shareholder and regulatory approval.

Amendments

The RSU Plan on which Shareholders will vote includes the following material amendments (this list is not exhaustive and Shareholders must read the full RSU Plan prior to voting):

1. changes to certain definitions (such as “Affiliate”, “Associate”, “Disinterested Shareholder Approval” and “Market Price”);
2. the restriction on assignability of an RSU;
3. the restriction that an RSU shall not vest prior to one year after its grant; and
4. a stipulation that a holder of an RSU is not entitled to any rights as a Shareholder.

Increase

12,076,265 Common Shares were issuable under the RSU Plan immediately after the 2022 Approval, representing 3.51% of the Common Shares issued and outstanding as at the date of the 2022 Approval. As of the date hereof, there remain 12,076,265 Common Shares (the “**Remaining Shares**”) issuable pursuant to future RSU awards (approved pursuant to the 2022 Approval), representing less than 3.26% of the Common Shares issued and outstanding as at the date hereof.

Upon approving the increase of the RSUs, an additional 12,923,735 RSU’s (the “**Additional RSU’s**”) will be available for future grants, and an equal number of Common Shares will be reserved for issuance upon the redemption of the Additional RSU’s, which together with the Remaining Shares, represent approximately 6.75% of the current issued and outstanding Common Shares.

Approval of the RSU Plan

The Board believes that the approval of the RSU Resolutions would advance the interests of the Company by providing the Company with increased flexibility to grant RSUs to directors, officers, employees or consultants of the Company or any of its affiliates and any such person’s personal holding company (“**RSU Eligible Persons**”) which, in turn, will:

1. increase the proprietary interest of RSU Eligible Persons in the success of the Company by allowing the Board to establish measurable objectives for RSU Eligible Persons, and/or the Company or affiliate, which, upon achievement, will be rewarded; and.
2. align the interests of RSU Eligible Persons with the interests of shareholders by creating a strong link between compensation and the long term financial performance of the Company thereby enhancing Shareholder value.

The Board and Management are recommending that the Shareholders vote FOR the approval of the RSU Resolutions. In order to approve the RSU Resolutions the following ordinary resolutions must be approved by a majority of the votes cast by Shareholders present in person or represented by proxy at the Meeting.

The complete text of the resolution which Management intends to place before the Meeting for approval, with or without modification, is as follows:

“IT IS HEREBY RESOLVED, THAT:

- (1) the RSU Plan, in the form as set forth in Schedule “D” to the Circular, be and is hereby ratified, confirmed and approved;
- (2) the increase of the number of Common Shares reserved for issuance under the RSU Plan by 12,923,735 is hereby ratified, confirmed and approved;
- (3) the reservation for issuance of a maximum of 25,000,000 Common Shares (the “**Underlying Shares**”) under the RSU Plan is hereby authorized and approved;
- (4) the Company is hereby authorized and directed to issue the Underlying Shares in accordance with the RSU Plan;

- (5) the Board be and is hereby authorized in its absolute discretion to make such revisions to the text of the RSU Plan in respect of the forgoing resolutions or as may be needed to reflect changes required by securities regulatory agencies or stock exchanges; and
- (6) any director or officer of the Company is hereby authorized for, on behalf of, and in the name of the Company to do and perform or cause to be done or performed all such things, to take or cause to be taken all such actions, to execute and deliver or cause to be executed and delivered all such agreements, documents and instruments, contemplated by, necessary or desirable in connection with the foregoing resolutions, as may be required from time to time and contemplated and required in connection therewith, or as such director or officer in his or her discretion may consider necessary, advisable or appropriate in order to give effect to the intent and purposes of the foregoing resolutions, and the doing of such things, the taking of such actions and the execution of such agreements, documents and instruments shall be conclusive evidence that the same have been authorized and approved hereby.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RSU RESOLUTIONS IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

7. Approval of the Farm Out Resolution

On July 11, 2023 the Company announced its intention to farm out (the “**Farm-Out**”) a 6.25% participating interest (the “**Interest**”) in is Block 3B/4B offshore South Africa license (the “**License**”) to Africa Oil SA Corp., a wholly owned subsidiary of Africa Oil. The terms of the Farm Out provide, subject to the fulfillment of certain conditions, including certain regulatory approvals (including that of the TSXV), that the Company will receive from Africa Oil the following payments:

- US\$2.5million within 30 days of signing of the initial agreement in respect of the Farm Out;
- US\$2.5million upon applicable government approval for the transfer of the Interest to Africa Oil;
- US\$4million upon the completion of a targeted farm out to a third party (which farm out, if it includes an interest held by the Company will be subject to separate TSXV approval, if applicable at the time); and
- US\$1.5million upon spud of the first exploration well on the License.

On closing of the Farm Out, assuming the requisite regulatory approvals are obtained, the interests of the joint venture partners in the License will be as follows:

Africa Oil through its wholly owned subsidiary, Africa Oil SA Corp, 26.25%, the Company through its wholly owned subsidiary, Azinam Limited, 20% and the remainder will be held by Ricocure (Proprietary) Limited.

Pursuant to Multilateral Instrument 61-101 “*Protection of Minority Security Holders in Special Transactions*” (“**MI 61-101**”), the Issuance constitutes a “related party transaction” due to the fact that Africa Oil holds a beneficial interest in the Company which exceeds 10% of the issued and outstanding Common Shares and due to the fact that it has a director on the Board. The Company is relying on Section 5.5(a) of MI 61-101 for an exemption from the formal valuation requirement and Section 5.7(1)(a) of MI 61-101 for an exemption from the minority shareholder approval requirement of MI 61-101 as the fair market value of the Issuance does not exceed 25% of the Company’s market capitalization. Notwithstanding the foregoing reliance of the Company on available exemptions from MI 61-101 the TSXV has required the Company to obtain approval of the Farm Out from a majority of the votes cast by those Shareholders who are not Shareholders who will receive a benefit from the Farm Out (such benefit receiving Shareholders the “**Interested Shareholders**”). The TSXV is requesting the aforementioned Shareholder approval as pursuant to the policies of the TSXV, given that the Farm-Out is a “related party transaction”, evidence of value was required, however, the Company did not present the acceptable evidence.

Approval of the Farm Out

The Board and Management are recommending that the shareholders vote FOR the approval of the Farm Out. In order to approve the Farm Out, the following ordinary resolutions (the “**Farm Out Resolutions**”) must be approved by a majority of the votes cast by those Shareholders who are present in person or represented by proxy at the Meeting who are NOT Interested Shareholders. This means that Interested Shareholders entitled to receive a benefit under the Farm Out are not eligible to vote their securities in respect of the Farm Out Resolutions. As such, an aggregate of 59,806,609 Common Shares (equal to 16.16% of the total issued and outstanding Common Shares) held by Africa Oil will not be eligible to vote on the Farm Out Resolution. The complete text of the resolutions which Management intends to place before the Meeting for approval, with or without modification, is as follows:

- (1) the Farm Out is hereby authorized and approved; and
- (2) any director or officer of the Company is hereby authorized for, on behalf of, and in the name of the Company to do and perform or cause to be done or performed all such things, to take or cause to be taken all such actions, to execute and deliver or cause to be executed and delivered all such agreements, documents and instruments, contemplated by, necessary or desirable in connection with the foregoing resolutions, as may be required from time to time and contemplated and required in connection therewith, or as such director or officer in his or her discretion may consider necessary, advisable or appropriate in order to give effect to the intent and purposes of the foregoing resolutions, and the doing of such things, the taking of such actions and the execution of such agreements, documents and instruments shall be conclusive evidence that the same have been authorized and approved hereby.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE FARM OUT RESOLUTIONS IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

8. Other Business

While there is no other business other than outlined above to be presented to the shareholders at the Meeting, it is intended the proxies hereby solicited will be exercised upon any other matters and proposals which may properly come before the Meeting, or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company’s compensation policies are based on the principles that compensation should, to a significant extent, be reflective of the financial performance of the Company, and that a significant portion of executive officers’ and directors’ compensation should provide long-term incentives. The Board and compensation committee of the Board (the “**Compensation Committee**”) seeks to have compensation of the Company’s directors and executive officers set at levels that are sufficiently competitive so that the Company may attract, retain and motivate highly qualified directors and executive officers to contribute to the Company’s success. In assessing the overall compensation for directors and executive officers, the Board and Compensation Committee considers the Company’s performance, relative stockholder return and industry position, general industry data, and awards given to the Company’s executive officers in past years. It is the general compensation philosophy of the Company to provide a blend of base salaries/consulting fees, incentive bonuses and equity-based compensation.

Elements of Compensation

Base Salary/Consulting Fees

Each Named Executive Officer (as defined below) receives a consulting fee, which constitutes a significant portion of the Named Executive Officer’s compensation package. Consulting fees are paid for discharging day-to-day duties and responsibilities and reflects the Named Executive Officer’s performance over time, as well as that individual’s

particular experience and qualifications. A Named Executive Officer's consulting fees is reviewed by the Compensation Committee from time to time.

Incentive Bonus

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for each officer and employee. Both individual and corporate performances are also taken into account. No bonuses were paid to the Named Executive Officer during the most recently completed financial year.

Equity-Based Compensation

The Company's directors, officers, employees and consultants are eligible under the Stock Option Plan to receive grants of stock options. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value.

The Company's directors, officers, employees and consultants are also eligible under the RSU Plan to receive grants of RSUs. The purpose of the RSU Plan is to advance the interests of the Company by (i) providing RSU Eligible Persons with incentives; (ii) rewarding performance by RSU Eligible Persons; (iii) increasing the proprietary interest of RSU Eligible Persons in the success of the Company; (iv) encouraging RSU Eligible Persons to remain with the Company or its affiliates; (v) attracting new directors, employees, officers and consultants; and; (vi) aligning the interests of the RSU Eligible Persons with those of the shareholders.

The Board believes that the Stock Option Plan and the RSU Plan align the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

Compensation Risk

The Board has not formally considered the implications of risks associated with the Company's compensation policies and practices as, in their view, the current structure of the Company's executive compensation arrangements is focussed on long-term value and is designed to correlate to the long-term performance of the Company, which includes but is not limited to performance of its share price.

Financial Instruments

Except as may be prohibited by law, the Named Executive Officers and directors are not currently prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a Named Executive Officer or director. To the Company's knowledge, no executive officer or director of the Company has entered into or purchased such a financial instrument. The Company's Insider Trading Policy stipulates that insiders of the Company are prohibited from short-selling the securities of the Company for the purpose of realizing the short-term profits.

Share-based and option-based Awards

As discussed above, the Stock Option Plan and the RSU Plan are maintained for the directors, officers, consultants and employees of the Company and any present and future subsidiary of the Company. The CEO will make initial recommendations to the Compensation Committee on the setting of option and RSU grants, taking into account the seniority and contribution of the individuals eligible for the grants and the number of previously granted stock options and RSUs. The Compensation Committee will then recommend to the Board for approval all incentive compensation for the executives of the Company, based on both individual and Company performance in any given year, and will take into consideration the levels of compensation paid to persons in the same or similar management positions at comparable oil and gas exploration companies, in making such recommendations.

Option-based Awards

Pursuant to the Stock Option Plan, an option exercise price cannot be less than the closing price of the Common Shares on the Exchange on the last trading day preceding the option grant. The purchase price for the Common Shares under each option shall be determined by the Compensation Committee. The maximum term is ten (10) years. There are no specific vesting provisions under the Stock Option Plan. Options are non-assignable and non-transferable other than by will or by the laws of descent and distribution. As at the date hereof, there are 6,950,000 stock options outstanding under the Stock Option Plan, which represents approximately 99% of the Common Shares reserved for issuance under the Stock Option Plan. Please see “Particulars of Matters to be Acted Upon – Approval of the Stock Option Plan” below, for a summary of the Stock Option Plan.

Share-based Awards for Performance

The RSU Plan allows the Company to grant RSUs, each of which is a unit that is equivalent in value to a Common Share and that upon vesting results in the holder thereof being issued, at the discretion of the Board, either (i) a Common Share, or (ii) an amount of cash equal to the Fair Market Value (as defined in the RSU Plan) of a Common Share. Pursuant to the RSU Plan, unless otherwise provided by the Board, RSUs granted will vest on the earlier of (a) the date of which the Performance Criteria (as defined in the RSU Plan) is achieved, if applicable, or (b) the third (3rd) anniversary of the date of the grant, provided the RSU Eligible Person is continuously employed by or in service with the Company, or any of its affiliates, from the date of the grant until such vesting date. As of the date hereof, there remain 30 Common Shares reserved for issuance under the RSU.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee’s Charter. The Compensation Committee is composed of Moshe Peterburg, Helmut Angula, and Peter Nicol, all of whom are independent as such term is defined in National Instrument 58-101, *Disclosure of Corporate Governance Practices* (“NI 58-101”).

The Compensation Committee meets at least twice a year to, amongst other things, review and approve the Company’s goals and objectives relating to the compensation of the Company’s executive officers, evaluate the performance of the Company’s executive officers in light of such goals and objectives, and set the compensation level, perquisites and other benefits of the Company’s executive officers. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Company’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies.

Neither the Board nor the Compensation Committee has, at any time since the Company’s most recently completed fiscal year, retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Company’s executive officers’ or directors’ compensation.

Following the grant of an option in accordance with the Plan, the Corporation shall forward to such Participant, a Notice of Grant (the “**Notice**”) substantially in the form attached hereto as Schedule “A”, which Notice shall evidence the grant of the option under the Plan. The Corporation shall also forward to the Participant, in addition to the Notice, a copy of this Plan and, subject to the Common Shares being listed on the Exchange, the Insider Trading Policy (on the first grant of an option) and any other documentation that may be required by applicable law, stock exchange or regulatory requirements.

13. EXERCISE OF OPTIONS

- (a) An option may be exercised from time to time by delivering to the Corporation at its head or registered office, a written notice of exercise (the “**Exercise Notice**”) specifying the number of Common Shares with respect to which the option is being exercised and accompanied by payment for the full amount of the purchase price of the Common Shares then being purchased.
- (b) Upon receipt of a certificate of an authorized officer directing the issue of Common Shares purchased under the Plan, the transfer agent of the Corporation is authorized and directed to issue and countersign share certificates for the purchased Common Shares in the name of the Participant or the Participant’s legal personal representative or as may otherwise be directed in writing by the Participant, including into a book-entry system, if requested.
- (c) Notwithstanding Subsection (h), the Corporation shall not, upon the exercise of any option, be required to register, issue or deliver any Common Shares prior to:
 - (i) the listing of such Common Shares on any stock exchange on which the Common Shares may then be listed; and
 - (ii) the completion of such registration or other qualification of such Common Shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable (including, without limitation, NI 45-106).

If any Common Shares cannot be registered, issued or delivered to any Participant for whatever reason, the obligation of the Corporation to issue such Common Shares shall terminate and any option exercise price paid to the Corporation shall be returned to the Participant without deduction or interest.

- (d) Options, but excluding options held by a Person engaged in Investor Relations Activities, may be exercised without the Participant making any cash payment so the Corporation does not receive any cash from the exercise of the subject Options, and instead the Participant receives only the number of underlying Common Shares that is the equal to the quotient obtained by dividing:
 - a. the product of the number of options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject options; by
 - b. the VWAP of the underlying Common Shares.

14. CHANGES IN OPTIONS

- (a) Any adjustment, other than as provided in Section 14 (b), to Options granted or issued under this Plan must be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.
- (b) **Share Consolidation or Subdivision.** Notwithstanding Section 14(a), in the event that the Common Shares are at any time subdivided or consolidated, the number of Common Shares reserved for option and the price payable for any Common Shares that are then subject to option shall be adjusted accordingly.
- (c) **Stock Dividend.** Subject to Section 14 (a), in the event that the Common Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Common Shares reserved for option

and the price payable for any Common Shares that are then subject to option may be adjusted by the Board to such extent as it deems proper in its absolute discretion.

- (d) **Effect of a Take-Over Bid.** Subject to Section 14 (a), if a bona fide offer to purchase Common Shares (an “Offer”) is made to a Participant or to shareholders of the Corporation generally or to a class of shareholders which includes a Participant, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Corporation, within the meaning of subsection 1(1) of the Securities Act, the Corporation shall, upon receipt of notice of the Offer, notify each Participant of full particulars of the Offer, whereupon all Common Shares subject to such option (“Option Shares”) will become vested and the option may be exercised in whole or in part by the Participant so as to permit the Participant to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if
- (i) the Offer referred to in this Section 15 is not completed within the time frame specified therein (as the same may be extended); or
 - (ii) all of the Option Shares tendered by the Participant pursuant to the Offer are not taken up or paid for the offeror in respect thereof,

the options which vested pursuant to this Section 15 shall be returned by the Participant to the Corporation and reinstated as authorized but unissued Common Shares and the original terms applicable to such options shall be reinstated.

- (e) **Acceleration of Expiry Date.** Subject to Section 14 (a), if at any time when an option granted under the Plan remains unexercised with respect to any unissued Option Shares, an Offer is made by an offeror, the directors may, upon notifying each Participant of full particulars of the Offer, declare all Option Shares issuable upon the exercise of options granted under the Plan, vested, and declare that the expiry date for the exercise of all unexercised options granted under the Plan is accelerated so that all options will either be exercised or will expire prior to the date upon which Common Shares must be tendered pursuant to the Offer.
- (f) **Effect of a Change of Control.** If a Change of Control occurs, all Option Shares subject to each outstanding option will become vested, whereupon such option may be exercised in whole or in part by the Participant.

15. RIGHTS PRIOR TO EXERCISE

A Participant shall have no rights whatsoever as a shareholder in respect of any Common Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Participant shall have exercised the option to purchase hereunder and which the Participant shall have actually taken up and paid for in full. For greater certainty a holder of an option under this Plan shall not be permitted to vote on any arrangement of the Corporation proposed to the holders of Common Shares of the Corporation.

16. HOLD PERIOD

In addition to any resale restrictions under applicable legislation, all options granted hereunder and all Common Shares issued on the exercise of such options will be subject to a four (4) month hold period (“**Hold Period**”) from the date the options are granted and the options and any Common Shares issuable on the exercise thereof must bear the following legends:

“WITHOUT PRIOR WRITTEN APPROVAL OF THE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL [INSERT THE DATE IMMEDIATELY FOLLOWING THE DATE WHICH IS FOUR MONTHS AFTER THE DATE OF THE GRANT OF THE OPTION.]”

 - (i) pay to the Corporation sufficient cash as is reasonably determined by the Corporation to be the amount necessary to satisfy the Withholding Obligations; or
 - (ii) at the discretion of the Corporation, elect to permit the Corporation to reduce the number of Common Shares to be issued to the Participant by the number of Common shares having a fair market value at such time as is equal to the amount necessary to satisfy the Withholding Obligations; or
 - (iii) make other arrangements acceptable to the Corporation to fund the Withholding Obligations.
- (b) It is the responsibility of the Participant to ensure that they adhere to tax legislation in their jurisdiction regarding the reporting of benefits derived from the exercise of options.

- (d) The Corporation will, within the time and in the manner prescribed by the Income Tax Act (Canada) (or any corresponding requirement under applicable provincial tax law), remit the Withholding Obligation to the Receiver General for Canada or other applicable tax authority and shall, to the extent necessary and within the time and in the manner prescribed by the Income Tax Act (Canada)) (or any corresponding requirement under applicable provincial tax law), make the election contemplated by subsection 110(1.1) of the Income Tax Act (Canada) (or any corresponding requirement under applicable provincial tax law) that neither it nor any person with whom it does not deal at arm’s length (for purposes of the Income Tax Act (Canada)) will deduct any amount in respect of any payment to the Participant in connection with the exercise or surrender of his or her options and the Corporation shall also provide evidence of such election to the Participant forthwith upon making such election.

20. EXPIRY OF AN OPTION AND TERMINATION OF THE PLAN

The Committee will: (i) have access to the resources of the Corporation as are necessary for carrying out its duties, including access to the company secretariat for assistance as required; (ii) be provided with appropriate and timely training, both in the form of an induction programme for new members and on an ongoing basis for all members; (iii) give appropriate consideration to laws and regulations, the provisions of the Quoted Companies Alliance Corporate Governance Code for Small and Mid Size Quoted Companies and the requirements of the AIM Rules for Companies published by the London Stock Exchange plc, as appropriate; (iv) oversee any investigation of activities which are within its terms of reference and act as a court of the last resort; and (v) at least once a year, review its own performance, constitution and terms of reference to ensure it is operating at maximum effectiveness and recommend any changes it considers necessary to the Board for approval.

Oversight Function

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate or comply with IFRS and other applicable requirements. These are the responsibilities of Management and the external auditors. The Committee, the Chairman and any members identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Corporation, and are specifically not accountable or responsible for the day to day operation or performance of such activities.

Although the designation of a Committee member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation. Rather, the role of a member who is identified as having accounting or related financial expertise, like the role of all Committee members, is to oversee the process, not to certify or guarantee the internal or external audit of the Corporation's financial information or public disclosure.
