MANAGEMENT INFORMATION CIRCULAR

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 27, 2024

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by management of the Company (“Management”) for use at the annual and special meeting of holders (collectively, the “Shareholders” or individually, a “Shareholder”) in the capital of the Company (“Common Shares” or “Shares”) to be held in person on Friday, December 27, 2024, at 10:00 a.m. (Toronto time) at 217 Queen Street West, Suite 401, Toronto, Ontario, M5V 0R2 and for the purposes set forth below. Except to the extent otherwise stated herein, all information set forth herein is given as of the date hereof, and all dollar amounts marked as “CAD\$” set forth herein refer to Canadian dollars and all dollar amounts marked as “US\$” set forth herein refer to United States dollars. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Company. The cost of solicitation will be borne by the Company except for the cost of postage required to return the forms of proxy which will borne by the individual Shareholders.

In accordance with NI 54-101, arrangements have been made with intermediaries or their nominees (collectively, the “Intermediaries”) to forward proxy-related materials to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Registered Education Savings Plans and similar plans. Intermediaries are required to forward such proxy-related materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Company has elected not to pay for the delivery of the proxy-related materials to Objecting Beneficial Shareholders (as defined below) by the Intermediaries. As such, Objecting Beneficial Shareholders will not receive the proxy-related materials unless the Intermediaries assume the cost of delivery. The Company is sending the proxy-related materials directly to Non-Objecting Beneficial Shareholders (as defined below), through the services of its transfer agent and registrar, TSX Trust Company (“TSX Trust”). The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the proxy-related materials to Shareholders.

Appointment of Proxies

The individuals named in the form of proxy are officers and/or directors of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend the Meeting and act for such Shareholder on his, her or its behalf other than the persons designated in the enclosed form of proxy. Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy.** In either case, a Shareholder may vote its Common Shares by proxy as follows: (a) by mail or delivery to, or deposited at, the offices of TSX Trust at: 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Attention: Proxy Department, on behalf of the Company; (b) by fax at: (416) 595-9593; or (c) on the internet by accessing the web site address specified on the form of proxy or voting instruction form (if applicable) and by following the online voting instructions. Voting instructions must be received by no later than 10:00 a.m. (Toronto time) December 23, 2024, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Form of Instructions for UK holders must be completed and returned to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom. Voting instructions for UK holders must be received by no later than 10:00 a.m. (UK time) on December 23, 2024, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Revocability of Proxy

A Shareholder giving a proxy has the power to revoke it. Proxies given by a Shareholder for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a Company, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - a. at the office of TSX Trust, on behalf of the Company, at any time up to and including 10:00 a.m. (Toronto time) on December 23, 2024, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used; or
 - b. with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

Exercise of Discretion by Proxy

On any ballot that may be called for at the Meeting, the Common Shares represented by such form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder appearing on such form of proxy, and, if a choice is specified therein in respect of any matter to be acted upon, will be voted in accordance with the specification made. In the absence of such specification, such Common Shares will be voted FOR such matter.

The form of proxy confers discretionary authority upon the person acting as proxy thereunder with respect to amendments or variations to matters identified below and with respect to other matters which may properly come before the Meeting. As at the date hereof, Management knows of no such amendments, variations or any other matters, which may properly come before the Meeting.

Voting by Beneficial Shareholders

Only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares or duly appointed proxyholders can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (the "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Beneficial Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Beneficial Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in

order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Company to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instructions forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting - the form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.

All references to Shareholders in this Circular are to Shareholders of record unless specifically stated otherwise.

Note to Non-Objecting Beneficial Shareholders

The proxy-related materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (the "**Objecting Beneficial Shareholders**") and those who do not object to their identity being made known to the issuers of the securities they own (the "**Non-Objecting Beneficial Shareholders**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their Non-Objecting Beneficial Shareholders from Intermediaries via their transfer agent in order to distribute proxy-related materials directly to such Non-Objecting Beneficial Shareholders.

The Company or its agent has sent the proxy related materials directly to Non-Objecting Beneficial Shareholders. Such Beneficial Shareholders' names, addresses and information about their holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding such information on their behalf. By choosing to send proxy-related materials directly to the Non-Objecting Beneficial Shareholders, the Company (and not the Intermediary holding the information on their behalf) has assumed responsibility for (i) the delivery of the proxy-related materials, and (ii) the execution of proper voting instructions as specified in the request for voting instructions.

Voting Securities and Principal Holders Thereof

The Company has fixed the close of business on November 15, 2024, as the record date (the "**Record Date**") for the purposes of determining Shareholders entitled to receive notice of the Meeting and vote at the Meeting. Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or at any adjournment or postponement thereof (subject in the case of voting by proxy to the timely deposit of a properly completed, signed and dated proxy with Equity as specified herein and in the notice of Meeting).

The authorized capital of the Company consists of an unlimited number of Common Shares, of which 370,173,680 are issued and outstanding as at the Record Date. Each Common Share carries the right to one vote per Common Share. No other voting securities are issued and outstanding as of the Record Date. The quorum required for the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued Common Shares entitled to be voted at the Meeting.

Except as set forth below, to the knowledge of Management and the directors, as at the date hereof, no person beneficially owns, directly or indirectly, or exercises control or direction over, more than ten percent (10%) of the issued and outstanding Common Shares:

Name	Number of Shares Owned	
	(Percentage of Class and Type of Ownership)	
	Common Shares	Percentage of Voting Rights
Africa Oil Corp.	54,941,744	14.84%

Except as otherwise set out herein, to the best of Management's knowledge, no director or executive officer of the Company, or any person who has held such a position since the beginning of the Company's last fiscal year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

THE ENCLOSED FORM OF PROXY PERMITS SHAREHOLDERS TO VOTE FOR EACH NOMINEE ON AN INDIVIDUAL BASIS. COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF EACH OF THE PROPOSED NOMINEES UNLESS A SHAREHOLDER HAS SPECIFIED IN HIS, HER OR ITS PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF ANY PARTICULAR NOMINEE OR NOMINEES. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS DIRECTORS. HOWEVER, IF FOR ANY REASON, ANY OF THE PROPOSED NOMINEES DO NOT STAND FOR ELECTION OR ARE UNABLE TO SERVE AS SUCH, PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR

4. Appointment of Auditor

The directors of the Company propose to nominate MNP LLP for re-appointment as the auditor of the Company to hold office until the next annual meeting of shareholders. The Board reviews the annual audit fees and considers the issue of auditor independence in the context of all services provided to the Company.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MNP LLP AS AUDITOR OF THE COMPANY AND THE AUTHORIZING OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS OWN SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

5. Approval of the Omnibus Incentive Plan Resolution

Shareholders are being asked to approve the Company's omnibus incentive plan (the "Omnibus Incentive Plan") in accordance with Policy 4.4 of the TSX Venture Exchange ("TSXV"). Share-based compensation is a critical component of the Company's compensation program for its executives, directors and employees, as described in more detail under the heading "Executive Compensation Discussion and Analysis". At the 2023 meeting of Shareholders, Shareholders approved the stock option plan (the "Option Plan") pursuant to which directors, officers, employees and consultants of the Company were awarded options to purchase Shares (the "Options") and the restrict share unit ("RSU") plan (the "RSU Plan") which allowed for the issuance of RSUs. The Option Plan and the RSU Plan are collectively referred to herein as the "Predecessor Plans"). The Omnibus Incentive Plan is a "rolling" share-based compensation plan pursuant to which up to an aggregate of 10% of the Shares outstanding may be reserved for issuance under it and any other security-based compensation plans of the Company (including the Predecessor Plans).

Pursuant to the policies of the TSXV, "rolling" share-based compensation plans must receive shareholder approval annually. The terms of the Omnibus Incentive Plan are more fully described in this Information Circular under the heading "Omnibus Incentive Plan" and a full copy of the Omnibus Incentive Plan is attached as Schedule A. The Predecessor Plans are each more particularly described in Schedule D. Any Options and other awards granted under the Predecessor Plans continue to be governed by the applicable Predecessor Plan but no further awards are available for grant under the Predecessor Plans following approval of the Omnibus Incentive Plan.

Approval of the Omnibus Incentive Plan

The Board and Management are recommending that the shareholders vote FOR the approval of the Omnibus Incentive Plan. In order to approve the Omnibus Incentive Plan, the following ordinary resolutions must be approved by a majority of the votes cast by shareholders present in person or represented by proxy at the Meeting. The complete text of the resolutions which Management intends to place before the Meeting for approval, with or without modification, is as follows:

"IT IS HEREBY RESOLVED, THAT:

- (1) the Omnibus Incentive Plan as described in this information Circular is hereby approved, confirmed and ratified;

- (2) the board of directors of the Company (or any duly authorized committee of thereof) from time to time is authorized to grant awards in the capital stock of the Company pursuant to and in accordance with the Omnibus Incentive Plan and the Company is authorized to reserve and issue Shares in the capital of the Company for issuance upon exercise or settlement of awards granted pursuant to the Omnibus Incentive Plan; and
- (3) any director or officer of the Company be and is hereby authorized to do such things and to sign, execute and deliver all documents that such director or officer may, in their discretion, determine to be necessary in order to give full effect to the intent and purpose of this resolution.
- (4) In order for the foregoing resolution to be passed, it must be approved by a majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting. It is the intention of the management designees, if named as proxy, to vote in favour of the resolution approving the Omnibus Incentive Plan.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE OMNIBUS INCENTIVE PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

6. Other Business

While there is no other business other than outlined above to be presented to the shareholders at the Meeting, it is intended the proxies hereby solicited will be exercised upon any other matters and proposals which may properly come before the Meeting, or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's compensation policies are based on the principles that compensation should, to a significant extent, be reflective of the financial performance of the Company, and that a significant portion of executive officers' and directors' compensation should provide long-term incentives. The Board and compensation committee of the Board (the "**Compensation Committee**") seeks to have compensation of the Company's directors and executive officers set at levels that are sufficiently competitive so that the Company may attract, retain and motivate highly qualified directors and executive officers to contribute to the Company's success. In assessing the overall compensation for directors and executive officers, the Board and Compensation Committee considers the Company's performance, relative stockholder return and industry position, general industry data, and awards given to the Company's executive officers in past years. It is the general compensation philosophy of the Company to provide a blend of base salaries/consulting fees, incentive bonuses and equity-based compensation.

Elements of Compensation

Base Salary/Consulting Fees

Each Named Executive Officer (as defined below) receives a consulting fee, which constitutes a significant portion of the Named Executive Officer's compensation package. Consulting fees are paid for discharging day-to-day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's consulting fees is reviewed by the Compensation Committee from time to time.

Incentive Bonus

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for each officer and employee. Both

individual and corporate performances are also taken into account. No bonuses were paid to the Named Executive Officer during the most recently completed financial year.

Equity-Based Compensation

The Company's directors, officers, employees and consultants are eligible under the existing Stock Option Plan to receive grants of stock options. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value.

The Company's directors, officers, employees and consultants are also eligible under the RSU Plan to receive grants of RSUs. The purpose of the RSU Plan is to advance the interests of the Company by (i) providing RSU Eligible Persons with incentives; (ii) rewarding performance by RSU Eligible Persons; (iii) increasing the proprietary interest of RSU Eligible Persons in the success of the Company; (iv) encouraging RSU Eligible Persons to remain with the Company or its affiliates; (v) attracting new directors, employees, officers and consultants; and; (vi) aligning the interests of the RSU Eligible Persons with those of the shareholders.

The Board believes that the Stock Option Plan and the RSU Plan align the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

Compensation Risk

The Board has not formally considered the implications of risks associated with the Company's compensation policies and practices as, in their view, the current structure of the Company's executive compensation arrangements is focussed on long-term value and is designed to correlate to the long-term performance of the Company, which includes but is not limited to performance of its share price.

Financial Instruments

Except as may be prohibited by law, the Named Executive Officers and directors are not currently prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a Named Executive Officer or director. To the Company's knowledge, no executive officer or director of the Company has entered into or purchased such a financial instrument. The Company's Insider Trading Policy stipulates that insiders of the Company are prohibited from short-selling the securities of the Company for the purpose of realizing the short-term profits.

Share-based and option-based Awards

As discussed above, the Predecessor Plans are maintained for the directors, officers, consultants and employees of the Company and any present and future subsidiary of the Company and are expected to be replaced by the Omnibus Incentive Plan if duly approved. The CEO will make initial recommendations to the Compensation Committee on the setting of option and RSU grants, taking into account the seniority and contribution of the individuals eligible for the grants and the number of previously granted stock options and RSUs. The Compensation Committee will then recommend to the Board for approval all incentive compensation for the executives of the Company, based on both individual and Company performance in any given year, and will take into consideration the levels of compensation paid to persons in the same or similar management positions at comparable oil and gas exploration companies, in making such recommendations.

Option-based Awards

Pursuant to the Omnibus Incentive Plan, an option exercise price cannot be less than the closing price of the Common Shares on the Exchange on the last trading day preceding the option grant. The purchase

price for the Common Shares under each option shall be determined by the Compensation Committee. The maximum term is ten (10) years. There are no specific vesting provisions under the Stock Option Plan. Options are non-assignable and non-transferable other than by will or by the laws of descent and distribution. As at the date hereof, there are 6,050,000 stock options outstanding under the Stock Option Plan, which represents approximately 99% of the Common Shares reserved for issuance under the Stock Option Plan. Please see "Particulars of Matters to be Acted Upon – Approval of the Omnibus Incentive Plan below, for a summary of the grant of Stock Options.

Share-based Awards for Performance

The Omnibus Incentive Plan allows the Company to grant RSUs, each of which is a unit that is equivalent in value to a Common Share and that upon vesting results in the holder thereof being issued, at the discretion of the Board, either (i) a Common Share, or (ii) an amount of cash equal to the Fair Market Value (as defined in the RSU Plan) of a Common Share. Pursuant to the RSU Plan, unless otherwise provided by the Board, RSUs granted will vest on the earlier of (a) the date of which the Performance Criteria (as defined in the RSU Plan) is achieved, if applicable, or (b) the third (3rd) anniversary of the date of the grant, provided the RSU Eligible Person is continuously employed by or in service with the Company, or any of its affiliates, from the date of the grant until such vesting date. As of the date hereof, there remain 25,000,000 Common Shares reserved for issuance under the RSU Plan.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee's Charter. The Compensation Committee is composed of Keith Hill, Alan Friedman, and Peter Nicol, the majority of whom are independent as such term is defined in National Instrument 58-101, *Disclosure of Corporate Governance Practices* ("**NI 58-101**").

The Compensation Committee meets at least twice a year to, amongst other things, review and approve the Company's goals and objectives relating to the compensation of the Company's executive officers, evaluate the performance of the Company's executive officers in light of such goals and objectives, and set the compensation level, perquisites and other benefits of the Company's executive officers. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Company's compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies.

Neither the Board nor the Compensation Committee has, at any time since the Company's most recently completed fiscal year, retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Company's executive officers' or directors' compensation.

OMNIBUS INCENTIVE PLAN

The Omnibus Incentive Plan is a long-term incentive plan that permits the grant of Awards to directors, officers and employees of, and consultants to, the Company and its subsidiaries. The purpose of the plan

is to promote share ownership of the eligible individuals to align the interests of such individuals with the interest of our Shareholders. Following the approval of the Omnibus Incentive Plan at the Meeting and subject to regulatory approval, the Omnibus Incentive Plan will replace the Predecessor Plans and no further grants of awards will be made under those plans. The Omnibus Incentive Plan streamlines the administration of long-term incentive grants to eligible individuals as all grants will be made under the Omnibus Incentive Plan (whether Options, RSUs, DSUs, or PSUs) and will be subject to the rules and restrictions of that plan.

A summary of the Omnibus Incentive Plan follows herein. For a full copy of the Omnibus Incentive Plan, refer to Schedule A. For a description of the Predecessor Plans see Schedule D.

Any undefined terms in this Information Circular in respect of the Omnibus Incentive Plan have the meaning ascribed to them in the Omnibus Incentive Plan.

LIMITATIONS UNDER THE OMNIBUS INCENTIVE PLAN

The aggregate number of Shares that may be reserved for issuance at any time under the Omnibus Incentive Plan, together with any Shares reserved for issuance under any other security-based compensation plans of the Company (including the Predecessor Plans), shall be equal to 10% of outstanding Shares from time to time (on a non-diluted basis), provided that the aggregate maximum number of Shares reserved for issuance pursuant to the settlement of all DSUs, RSUs and PSUs, together with awards granted under the Incentive Share Plan, shall not exceed 10% of the outstanding Shares from time to time (on a non-diluted basis). Any Shares underlying Options under the Omnibus Incentive Plan and the Option Plan that have been exercised or disposed of or that have expired or been terminated for any reason (without being exercised), shall become available for subsequent issuance under the Omnibus Incentive Plan. Any Shares underlying DSUs, RSUs, PSUs under the Company's Omnibus Incentive Plan and Incentive Share Plan that have been settled or disposed of or that have expired or been terminated for any reason (without being settled), shall become available for subsequent issuance under the Omnibus Incentive Plan. Accordingly, the Omnibus Incentive Plan is a "rolling plan" and as a result, any and all increases in the number of outstanding Shares will result in an increase to the number of Awards available for grant under the plan.

In addition, any grant of Awards shall be subject to the following restrictions (subject to applicable Shareholder approval in accordance with the policies of the TSXV):

- (e) the aggregate number of Shares reserved for issuance pursuant to Awards, together with awards granted under any other security-based compensation plan of the Company, granted to any one person in any twelve (12) month period may not exceed 5% of the outstanding Shares (on a non-diluted basis) determined at the time of grant;
- (e) the aggregate number of Shares reserved for issuance pursuant to Awards, together with awards under any other security-based compensation plan of the Company, granted to insiders (as a group) may not exceed 10% of the outstanding Shares (on a non-diluted basis) at any point in time;
- (e) the aggregate number of Shares reserved for issuance pursuant to Awards, together with awards under any other security-based compensation plan of the Company, granted to insiders (as a group) in any twelve (12) month period shall not exceed 10% of the outstanding Shares (on a non-diluted basis) determined at the time of grant;
- (e) the aggregate number of Shares issuable pursuant to Awards, together with awards under any other security-based compensation plan of the Company, granted to any consultant in any twelve (12) month period shall not exceed 2% of the outstanding Shares (on a non-diluted basis) determined at the time of grant; and

(e) Investor Relations Service Providers shall only be entitled to Options under the Omnibus Incentive Plan and the aggregate number of Shares issuable pursuant to Options under the Omnibus Incentive Plan, together with Options under any other security-based compensation plan of the Company, granted to all such persons in any twelve (12) month period shall not exceed 2% of the outstanding Shares determined at the time of grant.

Except as permitted by the Board and in accordance with the policies of the TSXV, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a participant by will or as required by applicable law, Awards are not assignable or transferable.

Description of Options Issuable under the Omnibus Incentive Plan

All Options granted under the Omnibus Incentive Plan will have an exercise price fixed by the Board when the Option is granted. Such price shall not be less than the market price per Share on the date that the Option is granted and such exercise price shall be determined in accordance with the policies of the TSXV or other applicable stock exchange.

Participants may exercise vested Options by providing payment in full of the exercise price for the Shares which are the subject of the exercise. Provided that the Shares are listed on the TSXV or another exchange, and that the Company is in compliance with applicable stock exchange requirements, the Company may permit a participant to elect that the Company satisfy any obligations to the participant in respect of any vested Options exercised by the participant by issuing such number of Shares that is equal in value to the difference between: (a) the VWAP of the Shares prior to the date of exercise; and (b) the aggregate exercise price of the vested Options being exercised (the "Net Share Exercise Right"). The Net Share Exercise Right is not available to any Investor Relations Service Providers in accordance with the policies of the TSXV.

In addition, the Company may permit a broker-assisted cashless exercise whereby the participant elects to receive: (a) an amount in cash equal to the cash proceeds realized upon the sale in the capital markets of the Shares underlying the vested Options by a securities dealer designated by the Company, less the aggregate exercise price, any applicable withholding taxes, and any transfer costs charged by the securities dealer to sell the Shares; (b) an aggregate number of Shares that is equal to the number of Shares underlying the vested Options minus the number of Shares sold in the capital markets by a securities dealer designated by the Company as required to realize cash proceeds equal to the aggregate exercise price, any applicable withholding taxes and any transfer costs charged by the securities dealer to sell the Shares; or (c) a combination of (a) and (b).

Description of RSUs, PSUs and DSUs issuable under the Omnibus Incentive Plan

An RSU is a right to receive a Share issued from treasury upon settlement, subject to the terms of the Omnibus Incentive Plan and the applicable award agreement, which generally becomes vested, if at all, following a period of continuous employment or engagement. RSUs are expected to typically vest as to one third on each of the first, second and third anniversaries of the date of grant unless otherwise determined by the Board at the time of grant.

A PSU is a right to receive a Share issued from treasury upon settlement, subject to the terms of the Omnibus Incentive Plan and the applicable award agreement, which generally becomes vested, if at all, subject to the attainment of performance criteria established by the Board in its discretion at the time of grant. The vesting period and performance criteria for any PSUs granted will be determined at the time of the grant with a payout percentage between 0% and 200% based on achievement of the applicable performance criteria.

DSUs are the only type of share unit issuable under the Omnibus Incentive Plan that may be issued to non-employee directors of the Company. A DSU is a right to receive a Share issued from treasury upon settlement, subject to the terms of the Omnibus Incentive Plan and the applicable award agreement. The

vesting period of any DSUs granted will be determined at the time of the grant and are expected to typically vest either as to one third on each of the first, second and third anniversaries of the date of grant or to cliff-vest on the third anniversary of the date of grant, provided that, vesting will typically accelerate on the date that the non-employee director ceases to be a director of the Company for any reason, including change of control, resignation, retirement, death or failure to obtain re-election as a director.

Settlement of RSUs, PSUs and DSUs

Vested RSUs, PSUs and DSUs may be settled by a participant at any time prior to their expiry date by the Company issuing to the participant such number of Shares that is equal to the number of vested RSUs, PSUs or DSUs (and related Dividend Equivalents, if any) being settled. Notwithstanding, the Company may, in its discretion, permit applicable participants to elect to receive an amount in cash (net of applicable withholding taxes) equal to all or a portion of the vested RSUs, PSUs or DSUs (and related Dividend Equivalents, if any) being settled by the participant multiplied by the VWAP prior to the applicable settlement date.

Dividend Equivalents

A dividend equivalent is a right equivalent in value to an RSU, PSU or DSU credited to a participant who holds such Awards when dividends are declared by the Board and paid with respect to the outstanding Shares ("Dividend Equivalents"). Dividend Equivalents shall not apply to an RSU, PSU or DSU unless determined by the Board and provided for in the applicable award agreement. A Dividend Equivalent shall be subject to the same vesting and settlement conditions applicable to the related DSU, RSU or PSU and shall be payable on the settlement date of the related DSU, RSU or PSU in the same form as the related DSU, RSU or PSU being settled, provided that, in no event will the settlement of Dividend Equivalents cause the maximum number of Shares issuable under the Omnibus Incentive Plan's reserve or participation limits (as described above) to be exceeded.

Expiry

The expiry date of Awards granted pursuant to the Omnibus Incentive Plan is set by the Board and must not be later than ten (10) years from the date of grant. Typically, Awards granted will expire after five (5) years. The Omnibus Incentive Plan contains provisions that address expiring Awards during, or within two (2) business days after, a self-imposed blackout period on trading securities of the Company. In such a case, the expiry date will be deemed to be extended to the tenth (10th) business day following the end of the blackout period.

Cessation of Employment or Services

Termination without Cause or Voluntary Resignation

Unless otherwise determined by the Board, if a participant's employment or engagement with the Company or a subsidiary ceases as a result of a termination without cause or the participant's resignation (including a resignation from the Board), all unvested Awards held by the participant shall automatically terminate and the participant may, within 30 days after the termination date (or such shorter period as is remaining in the term of the Awards), exercise or settle the participant's vested Awards. At the end of such 30-day period (or such shorter period as is remaining in the term of the Awards), any outstanding Awards shall automatically terminate.

Termination for Cause

Unless otherwise determined by the Board, if a participant's employment or engagement with the Company or a subsidiary ceases as a result of a termination for cause, all unvested Awards held by the participant, shall automatically terminate on the termination date.

Death or Disability

Unless otherwise determined by the Board, if a participant's employment or engagement with the Company or a subsidiary ceases as a result of the participant's death or, in the case of an employee, the incurrence of a disability, all unvested Options held by the participant shall automatically terminate and the participant (or the participant's legal representative) may, within twelve (12) months after the participant's termination date or date of death (or such shorter period as is remaining in the term of the Options), exercise the participant's vested Options. At the end of such 12-month period (or such shorter period as is remaining in the term of the Options), any outstanding Options shall automatically terminate.

Unless otherwise determined by the Board, if a participant's employment or engagement with the Company or a subsidiary ceases as a result of the participant's death or, in the case of an employee, the incurrence of a disability, a pro rata portion of the unvested RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable) held by the participant will vest. The number of unvested RSUs and DSUs (and related Dividend Equivalents, if applicable) that will vest will be based on the number of days elapsed between the applicable date of grant and the termination date and the number of PSUs (and related Dividend Equivalents, if applicable) that will vest will be based on performance achieved up to the termination date as determined by the Board. All remaining unvested RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable) shall automatically terminate on the termination date. The participant (or the participant's legal representative) may, within twelve (12) months after the participant's termination date or date of death (or such shorter period as is remaining in the term of the Awards), elect to settle the participant's vested RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable). At the end of such 12-month period (or such shorter period as is remaining in the term of the Awards), any outstanding RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable) shall automatically terminate.

Termination of Consultants

Notwithstanding the foregoing, the following will apply in the event of termination of a consultant's engagement with the Company or a subsidiary.

Unless otherwise determined by the Board, if a consultant's engagement with the Company or a subsidiary ceases as a result of a termination by the Company or a subsidiary for cause, all Awards held by the consultant, whether vested or unvested, shall automatically terminate on the termination date.

Unless otherwise determined by the Board, if a consultant's engagement with the Company or a subsidiary ceases for any reason other than for cause, all unvested Options held by the consultant shall automatically terminate on the termination date and the consultant may, within thirty (30) days after the consultant's termination date (or such shorter period as is remaining in the term of the Options), exercise the consultant's vested Options. At the end of such 30-day period (or such shorter period as is remaining in the term of the Options), the unexercised Options shall automatically terminate.

Unless otherwise determined by the Board, if a consultant's engagement with the Company or a subsidiary ceases for any reason other than for cause, all unvested RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable) held by the consultant shall automatically terminate and the consultant may, within thirty (30) days after the consultant's termination date (or such shorter period as is remaining in the term of the Awards), elect to settle the consultant's vested RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable). At the end of such 30-day period (or such shorter period as is remaining in the term of the Awards), any outstanding RSUs, PSUs and DSUs (and related Dividend Equivalents, if applicable) shall automatically terminate.

Accelerated Vesting

Subject to the requirements of the policies of the TSXV (including Shareholder approval if applicable), the Board may permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards in connection with a cessation event described above.

Change of Control

Change of Control and Termination of Employment or Engagement

Subject to the terms and conditions of any award agreement, if there is a change of control of the Company and a participant who is an employee or a director (in each case, other than an Investor Relations Service Provider) ceases employment as a result of a termination by the Company or a subsidiary without cause or ceases to be a director (for any reason other than for cause) and, in each case, his or her termination date is within twelve (12) months following the change of control, all unvested Options, RSUs and DSUs (and related Dividend Equivalents, if applicable) held by the participant on the participant's termination date shall immediately vest and the participant may, within twelve (12) months after the participant's termination date (or such shorter period as is remaining in the term of the Awards) exercise or settle the Awards. At the end of such 12-month period (or such shorter period as is remaining in the term of the Awards), the unexercised Awards shall automatically terminate.

Subject to the terms and conditions of any award agreement, if there is a change of control of the Company and a participant who is an employee (other than an Investor Relations Service Provider) ceases employment as a result of a termination by the Company or a subsidiary without cause and his or her termination date is within twelve (12) months following the change of control, a certain number of PSUs (and related Dividend Equivalents, if applicable) will vest based on performance achieved up to the termination date as determined by the Board. All unvested PSUs (and related Dividend Equivalents, if applicable) shall automatically terminate on the termination date. The participant may, within twelve (12) months days after the participant's termination date (or such shorter period as is remaining in the term of the applicable PSU), elect to settle the participant's vested PSUs (and related Dividend Equivalents, if applicable). At the end of such 12-month period (or such shorter period as is remaining in the term of the Awards), any outstanding PSUs (and related Dividend Equivalents, if applicable) shall automatically terminate.

Discretion to Board

Subject to the policies of the TSXV, in the event of an actual or potential change of control of the Company, the Board may, in its discretion: (a) accelerate, conditionally or otherwise, on such terms as it sees fit (including, but not limited to those set out in (c) and (d) below), the vesting date of any Awards; (b) permit the conditional settlement or exercise of any Awards, on such terms as it sees fit; (c) otherwise amend or modify the terms of any Awards, including for greater certainty by (1) permitting participants to exercise or settle any Awards to assist the participants to participate in the actual or potential change of control, or (2) providing that the surviving, successor or acquiring entity may assume any outstanding Awards or substitute similar awards for the outstanding Awards, as applicable; and (d) terminate, following the successful completion of a change of control, on such terms as it sees fit, the Awards not exercised or settled prior to the successful completion of such change of control, provided that, any accelerated vesting in respect of any PSUs (and related Dividend Equivalents, if applicable) will be based on performance achieved up to the change of control as determined by the Board.

In the event that any Awards are conditionally exercised or settled and the change of control does not occur, the Board, may determine that any (a) Awards so exercised or settled shall be reinstated as the type of Award prior to such exercise or settlement, and (b) Shares issued be cancelled, any cash payments made to the participants be returned to the Company, and any exercise price or similar price received by the Company shall be returned to the participant.

Recoupment

Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of the Company's clawback policy and any other recoupment or similar policy adopted by the Company or the relevant subsidiary from time to time and in effect at the date of grant of

the Award, or as set out in the participant's employment or service agreement, award agreement or other written agreement, or as otherwise required by law or the policies of the TSXV.

Amendment

The Board may, without notice and without shareholder approval, amend, modify, change, suspend or terminate the Omnibus Incentive Plan or any Awards as it determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the plan or any Awards may materially impair any outstanding rights of a participant without the consent of the participant, unless the Board determines such adjustment is required or desirable in order to comply with any applicable securities laws or the policies of the TSXV.

Notwithstanding the foregoing and subject to any policies of the TSXV and/or any applicable regulatory authority, shareholder approval (including approval of the disinterested shareholders if required by the policies of the TSXV) must be obtained for any amendment that would have the effect of, among others:

- (a) increasing the percentage of Shares reserved for issuance under the plan, except pursuant to the provisions in the plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (b) increasing or removing the participation limits set forth in the plan (including to insiders);
- (c) reducing the exercise price of an Option (for this purpose, a cancellation or termination of an Option prior to its expiry date for the purpose of reissuing an Option with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option), except pursuant to the provisions in the plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) amending an Award that results in a benefit to an insider, in which case disinterested shareholder approval is required (including amending an Award to reduce the exercise price of an option or extending the term of an Award);
- (e) amending any method or formula for calculating prices, values or amounts under the plan that may result in a benefit to a Participant, including but not limiting to the formula for determining the Exercise Price of Options;
- (f) extending the term of an Award beyond the original expiry date (except where an expiry date would have fallen within a blackout period applicable to the participant);
- (g) permitting an Option to be exercisable beyond ten (10) years from its date of grant (except where an expiry date would have fallen within a blackout period);
- (h) increasing or removing the limits on the participation of non-employee directors;
- (i) amending the amendment provisions of the plan;
- (j) amending the termination or early termination provisions of the plan or any Award;
- (k) changing the eligible participants of the plan; or
- (l) amendments required to be approved by shareholders under applicable law (including the policies of the TSXV).

- (m) Without limiting the generality of the foregoing, the Board may, without shareholder approval, at any time or from time to time, amend the Omnibus Incentive Plan or award agreements for the purposes of:
- (n) making any amendments to the general vesting provisions of each Award;
- (o) making any amendment necessary to suspend or terminate the plan;
- (p) making any amendments to add covenants of the Company for the protection of participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the participants, as the case may be;
- (q) amendments necessary for Awards to qualify for favourable or intended tax treatment under applicable tax law;
- (r) making any amendments not inconsistent with the plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a participant resides, provided that the Board shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the participants; or
- (s) making such amendments of a “housekeeping” or administrative nature and such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the participants.

 - (ii) the sale, lease, exchange or other disposition, in a single transaction or a series of related transactions, of assets, rights or properties of the Corporation and/or any of its Subsidiaries which have an aggregate book value greater than 50% of the book value of the assets, rights and properties of the Corporation and its Subsidiaries on a consolidated basis to any other person or entity, other than a disposition to a wholly-owned subsidiary of the Corporation in the course of a reorganization of the assets of the Corporation and its Subsidiaries;

 - (e) Investor Relations Service Providers shall only be entitled to Options under the Plan and the aggregate number of Common Shares issuable pursuant to Options under the Plan, together with stock options under any other Security Based Compensation Plan of the Corporation, granted to all Investor Relations Service Providers in any twelve (12) month period, shall not exceed 2% of the issued and outstanding Common Shares determined at the time of grant.

4.4 Non-transferability of Awards

Except as permitted by the Board and subject to Exchange approval, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant by will or as required by applicable law (and in accordance with Section 10.3), no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

(5) **ARTICLE 5 - OPTIONS**

5.1 Granting of Options

The Board may, from time to time, in its sole discretion, grant Options to such Participants as it chooses and, subject to the restrictions herein, in such numbers as it chooses. The grant of Options will be subject to the terms and conditions contained herein and in the applicable Award Agreement and may be subject to additional conditions determined by the Board from time to time. The grant of an Option to a Participant at any time shall neither entitle such Participant to receive, nor preclude such Participant from receiving, a subsequent grant of an Option.

The Exercise Price shall be fixed by the Board when the Option is granted, provided that such price shall be determined in accordance with the rules of the Exchange (as applicable) and shall not be less than the closing price as of the Grant Date.

An Option must be exercised no later than the Expiry Date set by the Board at the time of grant, and in any event no later than ten (10) years after the date the Option is granted, following which time the Option shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise. Notwithstanding any other provision of this Plan, each Option that would expire during a Black-Out Period shall expire on the date that is ten (10) Business Days immediately following the expiration of the Black-Out Period.

5.4 Vesting of Options

The vesting period or periods within the term following which an Option may be exercised by a Participant shall be determined by the Board and set out in the applicable Award Agreement, subject to the rules of the Exchange.

Subject to Section 12.3, the Board may, in its discretion at any time or in the Award Agreement in respect of any Options granted, accelerate or provide for the acceleration of, vesting of Options previously granted. 5.5 Exercise of Options

Subject to the provisions of the Plan and the applicable Award Agreement, a vested Option may be exercised from time to time by the Participant (or the Participant's legal representative in the case of the Participant's death) by delivery to the Corporation of a properly executed exercise notice in such form(s) as may be determined by the Board from time to time (the "**Exercise Notice**"). The Exercise Notice shall state the intention of the Participant (or the Participant's legal representative, if applicable) to exercise the said Option.

5.6 Payment and Net Share Exercise Right

The Exercise Notice shall be accompanied by payment in full of the aggregate Exercise Price and any Applicable Withholding Taxes in respect of the vested Options being exercised, which shall be payable by cheque, bank draft or wire transfer. Notwithstanding the foregoing, provided that the Corporation is in compliance with the rules of the Exchange (if applicable), the Corporation may, in its discretion, permit the Participant to elect that the Corporation satisfy any obligations to the Participant in respect of any vested Options so exercised by the Participant by issuing such number of Common Shares to the Participant that is equal in value to the difference between: (i) the VWAP of the Common Shares or, in the event that the Common Shares are not listed and posted for trading on any stock exchange, the fair market value of the Common Shares as determined by the Board, in each case, on the applicable day; and (b) the aggregate Exercise Price of the vested Options being exercised (the "**Net Share Exercise Right**"). The Net Share Exercise Right shall not be available to any Participants who are Investor Relations Service Providers.

Upon the issuance of Common Shares in connection with the exercise of any vested Options, such vested Options shall terminate and be of no further force or effect and the Participant shall cease to have any further rights in respect thereof.

5.7 Cashless Exercise Right

If permitted by the Corporation, the Exercise Notice may also be accompanied by the Participant's election to provide payment in full of the aggregate Exercise Price and any Applicable Withholding Taxes in respect of the vested Options being exercised pursuant to a broker-assisted cashless exercise whereby the Participant or his or her legal representative shall elect on the Exercise Notice to receive: (i) an amount in cash equal to the cash proceeds realized upon the sale in the capital markets of the Common Shares underlying the vested Options by a securities dealer designated by the Corporation, less the aggregate Exercise Price, any Applicable Withholding Taxes, and any transfer costs charged by the securities dealer to sell the Common Shares; (ii) an aggregate number of Common Shares that is equal to the number of Common Shares underlying the vested Options minus the number of Common Shares sold in the capital markets by a securities dealer designated by the Corporation as required to realize cash proceeds equal to the aggregate Exercise Price, any Applicable Withholding Taxes and any transfer costs charged by the securities dealer to sell the Common Shares; or (iii) a combination of (i) and (ii).

Subject to the Board expressly providing to the contrary, a Participant's PSUs shall vest on the third anniversary of the date of grant, conditional on the satisfaction of any performance criteria during the applicable Performance Period. The Payout Percentage for each PSU shall be determined by the Board,

in its discretion, at the time of vesting.

Subject to the provisions of the Plan and the applicable Award Agreement, vested PSUs may be settled at any time prior their applicable Expiry Date by the Participant (or the Participant's legal representative in the case of the Participant's death) delivering to the Corporation of a properly executed settlement notice in such form(s) as may be determined by the Board from time to time (the "**PSU Settlement Notice**"). In respect of each vested PSU being settled by the Participant pursuant to the PSU Settlement Notice, the Corporation shall, subject to Section 9.3, issue to the Participant (or the Participant's legal representative, if applicable) such number of Common Shares that is equal to the number of vested PSUs (and related Dividend Equivalents, if any) being settled pursuant to the PSU Settlement Notice (rounded down to the nearest whole number), as fully paid and non-assessable Common Shares. Dividend Equivalents shall be subject to the same vesting and settlement conditions applicable to the related DSU, RSU and PSU and shall be payable on the settlement date of the related DSU, RSU or PSU in the same form as the related DSU, RSU or PSU being settled, provided that, in no event shall the settlement of Dividend Equivalents cause the maximum number of Common Shares issuable under Article 4 (as applicable) to be exceeded. The number of additional Common Shares to be issued pursuant to this section shall be included in the maximum number of Common Shares issuable under Article 4 (as applicable).

The foregoing does not obligate the Corporation to declare or pay dividends on Common Shares and nothing in this Plan shall be interpreted as creating such an obligation.

9.2 Blackout Period

9.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, exercise or settlement of each Award under this Plan is subject to the condition that if at any time the Board determines, in its discretion, that the satisfaction of Applicable Withholding Taxes is necessary or desirable in respect of such grant, exercise or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Board. In such circumstances, the Board may require that a Participant pay to the Corporation the minimum amount

as the Corporation or a Subsidiary is obliged to withhold or remit to the relevant taxing authority in respect of the granting, exercise or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (i) withhold any Applicable Withholding Taxes from any remuneration or other amount payable by the Corporation or any Subsidiary to the Participant, (ii) permit a Participant to authorize a securities dealer designated by the Corporation, on behalf of the Participant, to sell in the capital markets a portion of the Common Shares issued hereunder to realize cash proceeds to be used to satisfy the Applicable Withholding Taxes, or (iii) enter into any other suitable arrangements for the receipt of such amounts.

9.4 Recoupment

Notwithstanding any other terms of this Plan and subject to rules of the Exchange, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant Subsidiary from time to time and in effect at the date of grant of the Award, or as set out in the Participant's employment or service agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Board may at any time waive the application of this Section 9.4 to any Participant or category of Participants.

(10) **ARTICLE 10 - TERMINATION OF EMPLOYMENT OR ENGAGEMENT**

10.1 Termination without Cause or Voluntary Resignation

Unless otherwise determined by the Board, if a Participant's employment or engagement with the Corporation or a Subsidiary ceases as a result of a termination by the Corporation or a Subsidiary without Cause or the Participant's resignation (including a resignation from the Board in respect of Directors), all unvested Options held by the Participant on the Participant's Termination Date shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal. The Participant may, within 30 days after the Participant's Termination Date, or such shorter period as is remaining in the term of the Options, exercise the Participant's vested Options in accordance with Section 5.5. At the end of such 30-day period or such shorter period as is remaining in the term of the Options, the unexercised Options shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

Unless otherwise determined by the Board, if a Participant's employment or engagement with the Corporation or a Subsidiary ceases as a result of a termination by the Corporation or a Subsidiary without Cause or the Participant's resignation (including a resignation from the Board in respect of Directors), all unvested Share Units held by the Participant on the Participant's Termination Date shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal. The Participant may, within 30 days after the Participant's Termination Date, or such shorter period as is remaining in the term of the Share Units, elect to settle the Participant's vested Share Units in accordance with Sections 6.4, 7.4 or 8.4, as applicable. At the end of such 30-day period or such shorter period as is remaining in the term of the Share Units, any outstanding Share Units shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

The provisions of this Plan may take away or limit a Participant's common or civil law rights, as applicable, to the Participant's Awards and any common or civil law rights, as applicable, to damages as compensation for the loss, or continued vesting, of the Participant's Awards during any reasonable notice period.

10.2 Termination for Cause

Unless otherwise determined by the Board, if a Participant's employment or engagement with the Corporation or a Subsidiary ceases as a result of a termination by the Corporation or a Subsidiary for Cause, all unvested Awards held by the Participant on the Participant's Termination Date, shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

10.3 Death or Disability

Unless otherwise determined by the Board, if a Participant's employment or engagement with the Corporation or a Subsidiary ceases as a result of the Participant's death or, in the case of an Employee, the incurrence of a Disability, all unvested Options held by the Participant on the Participant's Termination Date or date of death, as applicable, shall automatically terminate on the Termination Date or date of death, as applicable, and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise. The Participant (or the Participant's legal representative in the case of the Participant's death) may, within 12 months after the Participant's Termination Date or date of death, as applicable, or such shorter period as is remaining in the term of the Options, exercise the Participant's vested Options in accordance with Section 5.5. At the end of such 12-month period or such shorter period as is remaining in the term of the Options, the unexercised Options shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant (or the Participant's legal representative in the case of the Participant's death) in respect thereof as compensation, damages or otherwise.

Unless otherwise determined by the Board, if a Participant's employment or engagement with the Corporation or a Subsidiary ceases as a result of the Participant's death or, in the case of an Employee, the incurrence of a Disability, a pro rata portion of the unvested Share Units held by the Participant on the Termination Date will vest. The number of unvested RSUs and DSUs (and related Dividend Equivalents, if applicable) that will vest will be based on the number of days elapsed between the applicable date of grant and the Termination Date and the number of PSUs (and related Dividend Equivalents, if applicable) that will vest will be based on performance achieved up to the Termination Date as determined by the Board in its discretion. All unvested Share Units shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise.

The Participant (or the Participant's legal representative in the case of the Participant's death) may, within 12 months after the Participant's Termination Date or date of death, as applicable, or such shorter period as is remaining in the term of the Share Units, elect to settle the Participant's vested Share Units in accordance with Sections 6.4, 7.4 or 8.4, as applicable. At the end of such 12-month period or such shorter period as is remaining in the term of the Share Units, any outstanding Share Units shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise.

10.4 Termination of Consultants

Notwithstanding any provision herein to the contrary, only the provisions set forth in this Section 10.4 and Section 10.5 shall govern the treatment of Awards held by Consultants in connection with a cessation of a Consultant's engagement with the Corporation or a Subsidiary.

Unless otherwise determined by the Board, if a Consultant's engagement with the Corporation or a Subsidiary ceases as a result of a termination by the Corporation or a Subsidiary for Cause, all Awards held by the Consultant on the Consultant's Termination Date, whether vested or unvested, shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Consultant in respect thereof as compensation, damages or otherwise.

Unless otherwise determined by the Board, if a Consultant's engagement with the Corporation or a

Subsidiary ceases for any reason other than for Cause, all unvested Options held by the Consultant on the Consultant's Termination Date shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise. The Consultant may, within 30 days after the Consultant's Termination Date, or such shorter period as is remaining in the term of the Options, exercise the Consultant's vested Options in accordance with Section 5.5. At the end of such 30-day period or such shorter period as is remaining in the term of the Options, the unexercised Options shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise.

Unless otherwise determined by the Board, if a Consultant's engagement with the Corporation or a Subsidiary ceases for any reason other than for Cause, all unvested Share Units held by the Consultant on the Consultant's Termination Date shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise. The Consultant may, within 30 days after the Consultant's Termination Date, or such shorter period as is remaining in the term of the Share Units, elect to settle the Participant's vested Share Units in accordance with Sections 7.4 or 8.4, as applicable. At the end of such 30-day period or such shorter period as is remaining in the term of the Share Units, any outstanding Share Units shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise.

10.5 Discretion to Permit Acceleration

Notwithstanding the provisions of Sections 10.1, 10.2, 10.3 and 10.4, and subject to the requirement to obtain shareholder approval per the Exchange Policies and the rules of the Exchange, the Board may, in its discretion, at any time prior to, or following the events contemplated in such Sections, or in an employment or service agreement, Award Agreement or other written agreement between the Corporation or a Subsidiary and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Board. Notwithstanding the following, Options granted to Investor Relations Service Providers cannot be accelerated without the prior acceptance of the Exchange.

10.6 Participants' Entitlements

The Plan does not confer upon a Participant any right with respect to continuation of employment or engagement by the Corporation or any of its Subsidiaries, nor does it interfere in any way with the right of the Participant or the Corporation or any Subsidiary to terminate the Participant's employment or engagement at any time and for any reason.

Awards shall not be affected by any change of employment or engagement of the Participant where the Participant continues to be employed or engaged by the Corporation or any of its Subsidiaries.

(11) ARTICLE 11 - EVENTS AFFECTING THE CORPORATION

11.1 General

The existence of any Award does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Common Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 11 would have an adverse effect on this Plan or on any Award granted hereunder. In the event of any corporate event or transaction involving the Corporation (including, but not limited to, a change in the Common Shares or the capitalization of the

Corporation), such as a merger, consolidation, reorganization, recapitalization, separation, stock dividend, stock split, reverse stock split, split-up, spin-off, combination of shares, exchange of shares, dividend in kind, extraordinary cash dividend, amalgamation or other like change in capital structure (other than normal cash dividends to shareholders of the Corporation), or any similar corporate event or transaction, the Board, to prevent dilution or enlargement of Participants' rights under the Plan, shall substitute or adjust, in its discretion: (i) the number and kind of shares or other securities that may be granted pursuant to Awards; (ii) the number and kind of shares or other securities subject to outstanding Awards; (iii) the Exercise Price applicable to outstanding Options; (iv) the number of outstanding Share Units held by the Participants; (v) the vesting of PSUs; and/or (vi) other value determinations (including performance criteria) applicable to the Plan or outstanding Awards; provided, however, that no adjustment will obligate the Corporation to issue or sell fractional securities. Any such adjustments shall be made in good-faith compliance with paragraph 7(1.4)(c) of the Income Tax Act (Canada), to the extent applicable. For the avoidance of doubt, the purchase of Common Shares or other equity securities of the Corporation by a shareholder of the Corporation or by any third party from the Corporation shall not constitute a corporate

event or transaction giving rise to an adjustment pursuant to this Section 11.1. Notwithstanding the foregoing, any adjustment, other than in connection with a security consolidation or security split, to outstanding Awards granted pursuant to the Plan are subject to the prior acceptance of the Exchange, including any adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization of the Corporation.

11.2 Change of Control

(a) Change of Control and Termination of Employment or Engagement

Subject to Section 11.3 and the terms and conditions of any Award Agreement and notwithstanding anything in Article 10 to the contrary, if there is a Change of Control and a Participant who is an Employee or a Director (in each case, other than an Investor Relations Service Provider) ceases employment as a result of a termination by the Corporation or a Subsidiary without Cause or ceases to be a Director (for any reason other than for Cause) and, in each case, his or her Termination Date is within twelve (12) months following the Change of Control, all unvested Options held by the Participant on the Participant's Termination Date shall immediately vest. The Participant may, within 12 month after the Participant's Termination Date, or such shorter period as is remaining in the term of the Options, exercise the Participant's vested Options in accordance with Section 5.5. At the end of such 12-month period or such shorter period as is remaining in the term of the Options, the unexercised Options shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

Subject to Section 11.3 and the terms and conditions of any Award Agreement and notwithstanding anything in Article 10 to the contrary, if there is a Change of Control and a Participant who is an Employee or a Director (in each case, other than an Investor Relations Service Provider) ceases employment as a result of a termination by the Corporation or a Subsidiary without Cause or ceases to be a Director (for any reason other than for Cause) and, in each case, his or her Termination Date is within twelve (12) months following the Change of Control, all RSUs and DSUs (and related Dividend Equivalents, if applicable) held by the Participant on the Termination Date shall immediately vest on the Termination Date. The Participant may, within 12 months after the Participant's Termination Date, or such shorter period as is remaining in the term of the applicable Share Units, elect to settle the Participant's vested Share Units in accordance with Sections 6.4 or 7.4, as applicable. At the end of such 12-month period or such shorter period as is remaining in the term of the Share Units, any outstanding Share Units shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

Subject to Section 11.3 and the terms and conditions of any Award Agreement and notwithstanding anything in Article 10 to the contrary, if there is a Change of Control and a Participant who is an Employee (other than an Investor Relations Service Provider) ceases employment as a result of a termination by the

Corporation or a Subsidiary without Cause and his or her Termination Date is within twelve (12) months following the Change of Control, a certain number of PSUs (and related Dividend Equivalents, if applicable) will vest based on performance achieved up to the Termination Date as determined by the Board in its discretion. All unvested PSUs (and related Dividend Equivalents, if applicable) shall automatically terminate on the Termination Date and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise. The Participant may, within 12 months days after the Participant's Termination Date, or such shorter period as is remaining in the term of the applicable Share Units, elect to settle the Participant's vested Share Units in accordance with Section 8.4. At the end of such 12-month period or such shorter period as is remaining in the term of the Share Units, any outstanding Share Units shall automatically terminate and be of no further force or effect, and no amount shall be payable to the Participant in respect thereof as compensation, damages or otherwise, including on account of severance, payment in lieu of notice or damages for wrongful dismissal.

The provisions of this Plan may take away or limit a Participant's common or civil law rights, as applicable, to the Participant's Awards and any common or civil law rights, as applicable, to damages as compensation for the loss, or continued vesting, of the Participant's Awards during any reasonable notice period.

(b) Discretion to Board

Subject to the rules of the Exchange Policies, in the event of an actual or potential Change of Control, the Board may, in its discretion, without the necessity or requirement for the agreement of any Participant:

(i) accelerate, conditionally or otherwise, on such terms as it sees fit (including, but not limited to those set out in (iii) and (iv) below), the vesting date of any Awards; (ii) permit the conditional settlement or exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards, including for greater certainty by (1) permitting Participants to exercise or settle any Awards to assist the Participants to participate in the actual or potential Change of Control, or (2) providing that the surviving, successor or acquiring entity may assume any outstanding Awards or substitute similar awards for the outstanding Awards, as applicable; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards not exercised or settled prior to the successful completion of such Change of Control, provided that, any accelerated vesting in respect of any PSUs (and related Dividend Equivalents, if applicable) will be based on performance achieved up to the Change of Control as determined by the Board in its discretion.

In the event that any Awards are conditionally exercised or settled pursuant to this Section 11.2 and the Change of Control does not occur, the Board, may, in its discretion, determine that any (i) Awards so exercised or settled shall be reinstated as the type of Award prior to such exercise or settlement, and (ii) Common Shares issued be cancelled, any cash payments made to the Participants be returned to the Corporation, and any Exercise Price or similar price received by the Corporation shall be returned to the Participant.

(c) Agreement with Purchaser in a Change of Control

In connection with a Change of Control, the Board may be permitted to condition any acceleration of vesting on the Participant entering into an employment, service, confidentiality, restrictive covenant or other agreement with the purchaser as the Board deems appropriate.

11.3 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Common Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

11.4 Fractions

No fractional Common Shares will be issued pursuant to an Award. Accordingly, whether as a result of any adjustment under this Article 11, a Dividend Equivalent or otherwise, a Participant would become entitled to a fractional Common Share, the Participant has the right to acquire only the adjusted number of full Common Shares and no payment or other adjustment will be made with respect to the fractional Common Shares, which shall be disregarded.

(12) ARTICLE 12 - AMENDMENT OR DISCONTINUANCE OF PLAN

12.1 Shareholder Approval

This Plan is subject to the approval the holders of a majority of the Common Shares present and voting in person or by proxy at a meeting of holders of Common Shares (including approval of the disinterested holders of Common Shares if required by Exchange Policies) and the approval of the Exchange and shall not be effective until such approvals are obtained, being the Effective Date. Awards cannot be granted under this Plan prior to receipt of all necessary approvals.

12.2 Amendment, Suspension, or Termination of the Plan

The Board may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any outstanding rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Board determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or the rules of the Exchange.

Notwithstanding the foregoing and subject to any rules of the Exchange or/and any applicable regulatory authority, approval of the holders of a majority of the Common Shares present and voting in person or by proxy at a meeting of holders of Common Shares (including approval of the disinterested holders of Common Shares if required by Exchange Policies) must be obtained for any amendment that would have the effect of, among others:

- (a) increasing the percentage of Common Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increasing or removing the percentage limits on Common Shares issuable or issued to any Person or category of Persons (i.e., Insiders) as set forth in Section 4.2;
- (c) reducing the Exercise Price of an Option (for this purpose, a cancellation or termination of an Option of a Participant prior to its Expiry Date for the purpose of reissuing an Option to the same Participant with a lower Exercise Price shall be treated as an amendment to reduce the Exercise Price of an Option) except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (d) amending an Award that results in a benefit to an Insider, in which case disinterested shareholder approval is required (including amending an Award to reduce the Exercise Price of an Option or extending the term of an Award);
- (e) amending any method or formula for calculating prices, values or amounts under the Plan that may result in a benefit to a Participant, including but not limiting to the formula for determining the Exercise Price of Options;
- (f) extending the term of an Award beyond the original Expiry Date (except where an Expiry

Date would have fallen within a Blackout Period applicable to the Participant);

- (g) permitting an Option to be exercisable beyond ten (10) years from its date of grant (except where an Expiry Date would have fallen within a Blackout Period);
- (h) increasing or removing the limits on the participation of Directors;
- (i) amending the amendment provisions in Sections 12.2 and 12.3;
- (j) amending the termination or early termination provisions of this Plan or any Award;
- (k) changing the eligible participants of the Plan; or
- (l) amendments required to be approved by shareholders under applicable law (including the rules, regulations and policies of the Exchange).

12.3 Permitted Amendments

Without limiting the generality of Section 12.2, the Board may, without approval of the holders of a majority of the Common Shares, at any time or from time to time, amend the Plan or Award Agreements for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendment necessary to suspend or terminate the Plan;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) amendments necessary for Awards to qualify for favourable or intended tax treatment under applicable tax law;
- (e) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants; or
- (f) making such amendments of a "housekeeping" or administrative nature and such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

(13) ARTICLE 13 – MISCELLANEOUS

13.1 Legal Requirement

The Corporation's obligation to issue and deliver Common Shares under any Award is subject to: (i) the completion of such registration or other qualification of such Common Shares or obtaining approval of such regulatory authority as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Common Shares to listing on any stock

exchange on which such Common Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Corporation shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Common Shares in compliance with applicable securities laws and for the listing of such Common Shares on any stock exchange on which such Common Shares are then listed. The Corporation may endorse such legend or legends upon the certificates for, or other evidence of, Common Shares issued upon the exercise or settlement of an Award and may issue such "stop transfer" instructions to its transfer agent in respect of such Common Shares as, in its absolute discretion, it determines to be necessary or appropriate. Awards may not be granted with a date of grant or effective date earlier than the date on which all actions required to grant the Awards have been completed. The inability or impracticability of the Corporation to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation's counsel to be necessary to the lawful issuance and sale of any Common Shares hereunder shall relieve the Corporation of any liability in respect of the failure to issue or sell such Common Shares as to which such requisite authority shall not have been obtained.

13.2 No Liability

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Common Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

13.3 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

13.4 Rights of Participant

No Participant shall be induced to acquire, exercise or settle an Award by expectation of employment, engagement or other service or continued employment, engagement or other service. Nothing in this Plan may be construed to provide any Participant with any rights whatsoever to compensation or damages in lieu of notice or continued participation in, or entitlements under, the Plan as a consequence of a Participant's termination of employment, engagement or other service (regardless of the reason for the termination and the party causing the termination, including a termination without Cause). The Plan does not give any Participant any right to claim any benefit or compensation except to the extent specifically provided in the Plan. Awards shall not be considered Common Shares nor shall they entitle a Participant to any interest in or title to any Common Shares or to exercise voting rights or any other rights attaching to the Common Shares.

13.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Award Agreement shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment or service agreement (or other written agreement) with the Corporation or a Subsidiary, as the case may be, on the other hand, the provisions of the employment or service agreement (or other written agreement) shall prevail.

13.6 Anti-Hedging Policy

By accepting an Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

13.7 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

13.8 Unfunded Plan

This Plan shall be unfunded and the Corporation will not secure its obligations hereunder. To the extent any individual holds any rights under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured general creditor of the Corporation.

13.9 International Participants

With respect to Participants who reside or work outside Canada, the Board may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards (including Award Agreements) with respect to such Participants in order to conform such terms with the provisions of local law, customs and tax practices, and the Board may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

13.10 No Limit on Other Security-Based Compensations Arrangements

Nothing contained in this Plan shall prevent the Corporation from adopting or continuing in effect other security-based compensation arrangements subject to any required regulatory or shareholder approval, and such arrangements may be either generally applicable or applicable only in specific cases.

13.11 Other Employee Benefits

The amount of any compensation received or deemed to be received by a Participant as a result of the Participant's participation in the Plan will not constitute compensation, earnings or wages with respect to which any other employee benefits of that Participant are determined, including, without limitation, benefits under any bonus, pension, profit-sharing, insurance, termination, severance or salary continuation plan or any other employee benefit plans, nor under any applicable employment standards or other legislation, except as otherwise specifically determined by the Board.

13.12 No Representations or Warranties

The Corporation makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Common Shares issued pursuant to any Award.

13.13 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its Subsidiaries or any receiver or trustee in bankruptcy or representative of the creditors of the Corporation or a Participant.

13.14 Reorganization of the Corporation

The existence of any Awards shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds,

debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise/

13.15 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

13.16 Notices

All notices to be given by a Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:

Eco (Atlantic) Oil & Gas Ltd.
7 Coulson Avenue
Toronto, Ontario
M4V 1Y3
Attention: Gil Holzman, CEO & President

All notices to a Participant will be addressed to the principal address of the Participant on file with the Corporation. Either the Corporation or the Participant may designate a different address by written notice to the other. Such notices are deemed to be received, if delivered personally or by e-mail, on the date of delivery, and if sent by mail, on the fifth business day following the date of mailing; provided that in the event of any actual or imminent postal disruption, notices shall be delivered to the appropriate party and not sent by mail. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

13.17 Governing Law

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the internal laws of the Province of Ontario and the federal laws of Canada applicable therein, without reference to conflicts of law rules.

13.18 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of Ontario in respect of any action or proceeding relating in any way to the Plan, including, without limitation, with respect to the grant of Awards and any issuance of Common Shares made in accordance with the Plan.

13.19 Effective Date of the Plan

The Plan was approved by the Board and shall take effect as of November 26, 2024, subject to shareholder and regulatory approval.

Oversight Function

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate or comply with IFRS and other applicable requirements. These are the responsibilities of Management and the external auditors. The Committee, the Chairman and any members identified as having accounting or related financial expertise are members of the Board, appointed to the Committee to provide broad oversight of the financial, risk and control related activities of the Corporation, and are specifically not accountable or responsible for the day to day operation or performance of such activities.

Although the designation of a Committee member as having accounting or related financial expertise for disclosure purposes is based on that individual's education and experience, which that

individual will bring to bear in carrying out his or her duties on the Committee, such designation does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Committee and Board in the absence of such designation. Rather, the role of a member who is identified as having accounting or related financial expertise, like the role of all Committee members, is to oversee the process, not to certify or guarantee the internal or external audit of the Corporation's financial information or public disclosure.
